Box 1607 6

Dear Ms. Lagergren:

I am replying on President Reagan's behalf to your telegram about your brother, Raoul Wallenberg.

We remain deeply concerned about the fate of your brother. We have raised his case on a number of occasions in the past year with Soviet government representatives. Although the Soviets have not to date responded satisfactorily to our inquiries on your brother's behalf, we have continued to press them in our bilateral meetings to divulge more information about his fate.

Let me assure you that as we prepare for the summit we will not forget about Raoul Wallenberg. We will continue to employ every available means to work on his behalf.

Sincerely yours,

John M. Evans
